

Conflict Minerals Policy

Amerasia International Technology, Inc. (dba AI Technology Inc) will not knowingly manufacture any product using raw materials or components containing tungsten, tin, tantalum or gold (“3TG”), nor natural mica or cobalt (EM).

Under the Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act has been passed by the US Congress in 2010 and should contribute to ending these violent conflicts in the Democratic Republic Congo and adjoining countries.

The company will undertake due diligence with those suppliers of materials or products identified as likely to contain or require 3TG or EM minerals in their manufacture and will expect and require all such suppliers to comply with the OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High Risk Areas.

The company will not purchase products using or containing conflict minerals which may either directly or indirectly benefit armed groups in the DRC and surrounding countries.
